

**RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM
FUNDING SUMMARY – MEETING 4
MAY, 2003**

During the 77th Legislative Session, the Texas Legislature passed House Bill 2604, establishing the Rural Volunteer Fire Department Assistance Program. The program assists fire departments with the purchase of equipment and training. Funds for the program are set at \$15 million per year, and became available on September 1, 2002.

On May 6, 2003, the Texas Forest Service conducted its fourth meeting for FY 2003 to review applications and award funding. At that meeting, over \$3 million in approvals were awarded to fire departments across the state.

All departments receiving awards will be sent an official Letter of Approval. Any requests for assistance not approved at this meeting will continue to be reviewed at future funding meetings.

Additional funding meetings will be held throughout the year, so any eligible departments who are interested in the program are encouraged to apply.
