

**RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM
FUNDING SUMMARY – MEETING 2
NOVEMBER 2004**

The 77TH Texas Legislature passed House Bill 2604 in 2001, establishing the Rural Volunteer Fire Department Assistance Program. The program assists volunteer fire departments with the purchase of equipment and training. Funds for the program are set at \$15 million per year, and first became available on September 1, 2002.

The Texas Forest Service conducted the second Funding Meeting for FY 2005 on November 10, 2004. At that meeting, approximately \$5.2 million in grants were awarded to Texas volunteer fire departments.

All departments awarded a grant at this meeting will receive official written notice of approval. Any applications for assistance not approved at this meeting will automatically roll forward and will be reviewed at future Funding Meetings.

The next Funding Meeting will be held in April 2005.
