

Texas A&M Forest Service 200 Technology Way, Suite 1281, College Station, TX 77845-3424 979/458-6650

## Professional Management Services List

*These listings do not imply an endorsement of any particular firm by the Texas A&M Forest Service. It is provided as a service to landowners seeking forest management assistance. Woodland owners should satisfy themselves as to the ability of a firm to meet their needs.*

ACF = Member of Association of Consulting Foresters of America, Inc.

CF = Certified Forester with Society of American Foresters

ISA = Certified Arborist with International Society of Arboriculture

---

### Professional Management Services

The following firms provide professional management services to woodland owners. They are all graduate foresters who implement forest management practices through their consulting services. These services may include timber marketing, appraisals, management plans, and other forestry activities. They do not purchase timber or forestland. They charge a fee for their services, usually either a set rate or a percentage of any timber sale proceeds.
